

INFINITE EARTHLINGS: EARTH STEWARDS CLUB – 10-WEEK PLANNER

A learner-led sustainability club for Primary School

10 Week Theme Mission

Title Activities Earth Steward Link

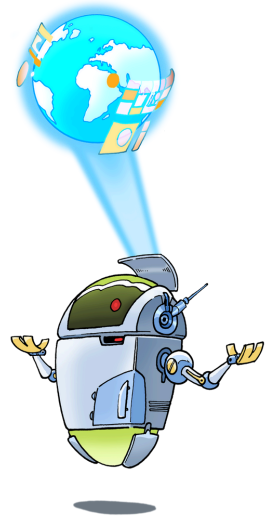

1 Welcome to the Infinite Earth Agency Mission

Briefing Club intro, create name badges, eco-code, and Earthling roles (e.g. Energy Star, Nature Friend).
Story: The Rise of the Earth Stewards. Professor (the biosphere)

2 Waste and Recycling Trash to Treasure Waste hunt in the classroom/school. Junk modelling challenge: Make something new from classroom rubbish. Plasto, Cardie, Shatter

3 Nature and Biodiversity Bug Hotel Builders Explore the school grounds. Build bug hotels or mini wild zones. Learn why small creatures matter. Oggie, Professor

4 Energy Awareness Power Patrol! Energy detectives check lights/devices. Create “Switch Off!” signs. Design your own solar/wind device model. Turbie, Array

5 Water Conservation Water Wise Wizards Measure water use, sing water-saving songs, create a “Water Steward Pledge” poster. Aqua

6 Food and Growing Grow, Share, Care Plant seeds or herbs. Learn about composting. Make seed packets to take home. Oggie

7 Ocean Protection Plastic-Free Seas Watch a short clip about sea life. Create an ocean mural showing good and bad ocean actions. Shelly

8 Creative Reuse & Design Eco-Inventors Lab Design a product from waste that helps people or nature. Present in small groups. Raven, Metz

9 Earth Art and Celebration Nature Art Gallery Use natural items to create Earth-inspired art. Curate a display or invite a class to view the gallery. Mini, Oggie

10 Eco Leaders Showcase We Are Infinite Earthlings! Reflect on missions. Create a class charter, certificates, or run a mini assembly. Celebrate with a nature walk or picnic. All

Earth Stewards with Sustainable Partners

Club Member Roles (Examples):

Waste Steward - Systo
